PLAN SERVICES

FOR WAR HERO

(By Associated Press)
ONTARIO, Cal., June 21.—Impressive funeral ceremonies are being planned in this city over the body of Ralph Theodore Kingerly, said to be the first California soldier to die in the world war. The body is expected to arrive here from France about June 25. The services will be under the auspices of Ontario post, American Legion, and the women's auxiliary of the Legion.

AMUSEMENTS

MIDSUMMER MADNESS AT THE BUTLER TODAY

There are a couple of gasps and a blush or two in "Midsummer Madness" which is to be shown at the Butler today and when "Finis" is spoken, we would blame you if you were not a little bit light-headed. The play is a real human study of which great pictures are made. William Scott has produced an ideal combination of rich background and deeply appealing story. Also he has handled a delicate theme delicately. Deep in the heart of every woman

lies the belief that some day Romance will be hers. And, as the years begin to slip away, every woman faces the moment when she feels that she is only a wife—that she is no longer the beloved—that when an's right to Romance has been denied her. And such is the case of Margaret Meredith, who after years of married life, finds that the love of her husband is dead. She longs for romance and love, and for a time she seems to find it in Julian, a married man, and under the spell of a moonlit midsummer night she is led into an indiscretion that threatens, when it comes to the ears of a professional scandal monger, to ruin four lives. But light dawns upon Bob Meredith, her husband, and tragedy is averted. Added to the program will be the latest Pathe Review and a Fun Weekly.

ANNOUNCEMENT

Mr. Edsel B. Ford, President of the Ford Motor Company, gives out the following statement:

"Another reduction has been made in the list price of all types of Ford cars and the Ford truck to take effect immediately. The list prices, i. e., Detroit, are now as follows:

TOURING CAR	\$415.00
RUNABOUT	370.00
COUPE	695.00
SEDAN	760.00
CHASSIS	345.00
TRUCK CHASSIS	495.00
TRACTOR	625.00

"The big reductions last fall were made in anticipation of low material costs which we are now getting the benefit of, and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford cars, particularly during the past three months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May, 1921, was greater by 56,663 cars and trucks than for the same two months in 1920, in fact the demand has been even greater than the supply, so that our output has been limited, not by unfilled orders but by manufacturing facilities.

"During May we produced 101,424 Ford cars and trucks for sale in the United States alone—the biggest month in the history of our company—and our factories and assembly plants are now working on a 4000 car daily schedule for June.

"The Fordson Tractor is still being sold at less than the cost to produce on account of the recent big price reductions, and it is impossible therefore, to make any further cut in the price of the tractor.

Can You afford to go without a car any longer when Fords are selling at these new low prices?

There is no reason now why you should delay purchasing a FORD CAR, FORD TRUCK, or FORDSON TRACTOR.

We will gladly advise you concerning the delivery of a Fordson Tractor or the particular type of car in which you are interested. Just phone us or drop us a card.
